

RainDrops

Soil Penetrant, Humectant, & Water Retentive Agent

A LIQUID ADDITIVE THAT WILL HELP YOU MAXIMIZE THE POTENTIAL OF YOUR IRRIGATED WATER

CONTAINS NON-PLANT FOOD INGREDIENTS:

10%.....	Oxiranyl Alcohol
33%.....	Trihydric Alcohol
57%.....	Inert Ingredients

Benefits of Using RainDrops:

- Increases the amount of plant-available water in most soil types as soil moisture level decreases
- Delays the onset of wilting during low soil moisture conditions, making water management easier
- Biodegradable

US Patent No 7482385

Precautionary Statements: Caution

Keep out of Reach of Children

Notice: Before using this product read the entire Precautionary Statements, Product Information, Directions for Use, First Aid Measures, Handling & Storage and Warranties and Disclaimers

First Aid Measures in Case of Contact:

Eye Contact: Do Not Rub Eyes. Flush eyes with large amounts of water. If irritation persists consult a doctor.

Skin Contact: Remove contaminated clothing and shoes. Wash affected area and clothing with water. If redness develops, consult physician.

If swallowed: Drink 1-2 glasses of water to dilute in stomach. Call physician to seek medical attention immediately. Do not induce vomiting.

Product Information:

RainDrops is made up of a Patented blend of liquid humectants and hygroscopic compounds which permits water molecules to penetrate the soil and bind to the soil particles, allowing soil to stay moist for a longer period of time than by just using water alone.

Handling & Storage: No special handling precaution.

Directions for use:

Irrigation Equipment: RainDrops should be applied thru standard irrigation systems and standard spray equipment.

Application Rate: During growing season, apply 1-4 pints of RainDrops per acre. The application rate should depend on the crop, type of delivery system, and local conditions.

Application Frequency: To maximize moisture, RainDrops should be applied every 7 to 21 days. The watering frequency should depend on the crop and local farming conditions.

Warranty and Disclaimers:

MorWater Solutions, LLC ("Seller") warrants that the product contains the ingredients in the amounts stated on this label. This warranty is expressly in lieu of all other warranties and representations expressed, implied, or statutory, including warranties of merchantability and fitness for a particular use. Timing, rate and method of application, weather, and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risk of use, storage, and handling of this material not in accordance with directions given herewith.
